ASSIGNMENT OF OVERRIDING ROYALTY INTEREST

UNITED STATES OF AMERICA

OUTER CONTINENTAL SHELF

This Assignment of Overriding Royalty Interest (this "**Assignment**") is executed by **LLOG Bluewater Holdings, L.L.C.**, a Delaware limited liability company, whose address is 1001 Ochsner Boulevard, Suite 100, Covington, Louisiana 70433 (hereinafter called "**Assignor**") in favor of **Stork Holdings I LLC**, a Delaware limited liability company, whose address is 345 Park Avenue, 27th Floor, New York, NY 10154 (hereinafter called "**Assignee**").

1.

Reference is hereby made for all purposes to the federal offshore leases further described on Exhibit "A" attached hereto (the "**Leases**" or "**Leases**").

2.

Assignor wishes to convey to Assignee and Assignee wishes to acquire from Assignor an undivided one thousand, two hundred thirty-seven millionths percent (0.001237%) of 8/8ths overriding royalty interest of all hydrocarbons produced from or attributable to the Leases (the "**Assigned ORRI**").

3.

NOW, THEREFORE, in consideration of the sum of One Hundred Dollars (\$100.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and convey unto Assignee the Assigned ORRI.

4.

The Assigned ORRI shall be free and clear of all costs, risk and expense associated with exploring, developing, operating, owning, maintaining and producing the Leases, including, without limitation, maintaining the Leases in full force and effect, plugging and abandoning wells and any appurtenances thereto, and clean-up and restoration of premises, but shall bear its proportionate share of all applicable taxes, including, but not limited to, severance taxes or other similar taxes applicable to production. The Assigned ORRI shall be computed and paid at the same time and in the same manner as royalties are computed and paid to the lessor under the Leases; provided, however, the Assigned ORRI shall never be subject to, or in any way adversely affected or diminished by, any past, present or future rules or regulations promulgated by the Bureau of Ocean Energy Management, or any other authority having jurisdiction over the Leases, providing for relief, reduction or suspension of the lessor's royalty.

5.

Assignor, its successors and assigns shall have the right to pool, combine or unitize the above described Leases and any portion or portions of the lands covered thereby with other land, lease(s) or mineral interest in any manner and at any time before or after production, without the consent or approval of the Assignee, its heirs, or assigns. In the event the acreage covered by the above described Leases, or any portion thereof is pooled, contractually combined or unitized with

OCS-G 34878 (EW 1009)
OCS-G 34879 (EW 1010)
OCS-G 34880 (EW 1011)

other lands, lease(s) or mineral interest to comprise a unit (or units), Assignee's ORRI assigned herein shall be reduced in the same proportion that the Lease acreage or a portion thereof is pooled, contractually combined or unitized. If the Lease acreage or any portion thereof in any such unit is subject to revision due to the inclusion or exclusion of acreage, or the addition or revision of any participating areas defined in a governing unit agreement, the ORRI assigned herein shall be either reduced or increased in the same proportion that the Lease acreage or any portion thereof pooled, contractually combined or unitized is reduced or increased.

6.

This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and transferees.

7.

Assignor shall never be under an obligation to Assignee, its heirs or assigns, to maintain the above described Leases in force and effect by the payment of rentals, the drilling of wells or otherwise; the overriding royalty herein conveyed being due and payable out of production if and when it should be obtained by Assignor, its successors and assigns.

8.

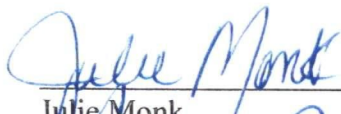

This Assignment shall be without warranty of title, whether express, implied or statutory, except that it contains a special warranty of title by, through and under Assignor to the Leases.

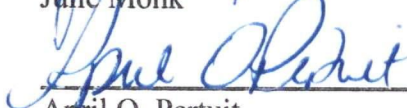

IN WITNESS WHEREOF, this Assignment is executed by the parties hereto as of the dates set forth in their respective acknowledgments attached hereto, but shall be effective as of April 1, 2018.
